

# SHARE ACCOUNT COMBINATION FORM

If you already hold BT Group shares, we have had to create a new shareholder account because we have not been able to match your details exactly with your existing account. If you would like your accounts to be combined, please:

Write the reference numbers which appear on your share certificates or tax vouchers under 'reference 2450/' below:

Reference number	Reference number	Reference number

Complete the following details in **BLOCK CAPITALS**:

## Notes

- (a) We cannot combine accounts where this might involve a change of ownership. For example, sole holdings cannot be combined with holdings registered with extra information in the title (such as a nominee account).
- (b) If one of the accounts to be combined carries instructions for dividends to be paid into a bank account or building society account, or for participation in the BT Group Dividend investment plan, these instructions will be applied to the total holding in the account after combination.
